MIXED GAMES ACADEMY

TOURNAMENT TERMS & CONDITIONS (SUMMARY)

By entering any Mixed Games Academy (MGA) event, players agree to the following summary terms and conditions. This summary is provided for convenience only and does not replace the full MGA Terms & Conditions available on our website or from the Tournament Director (TD). Where there is any inconsistency, the website version prevails.

1. Governance & Rules Framework

1.1 All events are conducted under Tournament Directors Association (TDA) rules and recommended procedures, as adopted by MGA.

1.2 Where there is any inconsistency between TDA rules and MGA rules, MGA rules take precedence.

1.3 For games and formats not fully covered by TDA (including but not limited to draw games, split-pot variants and specific mixed-game formats), MGA applies its own house rules. These are available from the TD on request and are considered binding.

2. Buy-ins, Prize Pool & Optional Hospitality Fee

2.1 Each event's advertised buy-in is split between:

- a) Prize pool component (entry) and
- b) Administration / hospitality component, where applicable.

2.2 Where the buy-in is shown with an asterisk (for example \$1,050 + \$100*), the amount marked with * represents an optional administration / hospitality fee.

2.3 Players may choose to opt out of the optional administration / hospitality component at registration. Players who opt out at registration receive 50% of the advertised start stack and no hospitality (food, snacks & non-alcoholic drinks).

2.4 The prize pool consists only of all entry monies allocated to the prize pool component of the buy-in, less any mandated deductions clearly disclosed in advance (e.g. tournament costs such as trophies).

2.5 Payout structures, number of prizes, seat packages and any milestone / satellite allocations are confirmed and announced by the TD once registration has closed.

3. Blinds, Antes & MGA Single Ante Systems

3.1 MGA uses standard fixed-limit, pot-limit and no-limit betting structures as published in each event's schedule & structure sheet.

3.2 Pot-limit games (e.g. PLO, some mixed variants) may employ a single ante equal to the big blind. This ante is posted in accordance with the structure sheet and the TD's direction.

3.3 No-limit games (e.g. NLH, NL 2-7 Single Draw) may employ a single ante equal to the sum of the small blind and big blind.

3.4 Where a Big Blind Ante / Single Ante System is used for big-bet games:

- a) The big blind posts the full ante for the table.
- b) If a player is short of chips, the big blind is paid first, then the ante from any remaining chips.
- c) Other players do not post individual antes unless specified by the TD.

3.5 MGA applies a "Single Ante System" for Stud variants.

3.6 Any deviations, corrections or clarifications to blind or ante amounts announced by the TD before or during an event form part of these terms and conditions.

4. Structures, Registration & Breaks

4.1 Level lengths, starting stacks, starting times, late registration, re-entry rules and break times are as published in the official schedule & structure sheet for each event, subject to TD adjustment where necessary.

4.2 Unless otherwise stated, breaks are scheduled approximately every two (2) hours of play. Exact timing may vary due to table balancing, hand-for-hand procedures or other operational requirements and will be announced by the TD or floor staff.

4.3 Late registration and re-entry (where permitted) are available only until the announced cut-off level and are subject to seat availability and venue capacity.

4.4 MGA and the venue reserve the right to cancel, amend or reschedule events and structures where necessary due to operational, regulatory or safety reasons.

5. Conduct, Compliance & Penalties

5.1 All players must comply with:

- a) MGA rules and T&Cs,
- b) TDA rules as adopted by MGA, and
- c) All instructions given by the TD, floor staff and authorised venue staff.

5.2 Respectful behaviour is mandatory. Abusive, discriminatory, intimidating or otherwise inappropriate conduct towards other players, staff, contractors or venue patrons will not be tolerated.

5.3 Cheating, collusion, soft-playing, chip dumping, angle-shooting, abuse of mobile devices or any attempt to gain an unfair advantage is strictly prohibited.

5.4 Failure to comply with rules, directions or standards of behaviour may result in escalating penalties, including but not limited to:

- Verbal warnings;
- Missed hands or missed rounds;
- Time penalties;
- Disqualification from the event (with or without forfeiture of chips and prizes);
- Exclusion from part or all of the series;
- Exclusion from future MGA events and/or the venue, at MGA's and/or the venue's discretion.

5.5 No compensation is payable for blinds, antes or opportunities missed while serving penalties or as a result of disqualification.

6. Decisions of the Tournament Director

6.1 The TD may make rulings in the best interest of the game and the integrity of the event, including in situations not expressly covered by these terms, TDA rules or house rules.

6.2 Where multiple interpretations are possible, the TD will consider the spirit of the game, fairness to the table and consistency with prior rulings.

6.3 The TD's decision is final in all matters relating to the conduct of the tournament.

7. Relationship to Full Terms & Conditions

7.1 This page is intended as a summary of key MGA tournament terms & conditions commonly applicable across events.

7.2 It does not list every rule, procedure or situation that may arise. Players are responsible for familiarising themselves with the full MGA Terms & Conditions and house rules, available on the MGA website or from the TD.

7.3 By entering and taking a seat in any MGA-branded event, players acknowledge that they have read, understood and agree to be bound by the full MGA Terms & Conditions and any additional rules or notices posted or announced at the venue.

Prize pool withholdings

Unless otherwise advertised, for all events in this series excluding the \$10,000 H.O.R.S.E. Championship and the H.O.R.S.E. Milestone Satellite, Mixed Games Academy will withhold \$180 from the gross prize pool of each applicable tournament as a tournament operations fee. These withheld amounts are retained by MGA and/or the venue and do not form part of the prize pool. These funds are used as a trophy contribution.
